

Audio Technology Technical Certificate

Program Code 6309

Program Description: The purpose of this program is to prepare students for initial employment as a sound technician or recording technician, or to provide supplemental training for persons previously or currently employed in these occupations. The content includes, but is not limited to, set up and configuration of a computer for audio applications, and the operation of basic reproduction, reinforcement and recording audio equipment.

Career Pathway: Arts, Humanities, Communication & Design (AHCD)

Program Entrance Requirements: HS Diploma or GED.

Location(s): The core Audio Technology Certificate courses are only offered at the A. Hugh Adams Central Campus.

Contact information: Prior to seeking general academic advisement on their home campuses, students majoring in Audio Technology Certificate must first seek advisement on the audio technology course of study through the office of the Visual & Performing Arts Department on Central Campus (Building 4, Room 130). The Visual & Performing Arts Department can be reached at (954) 201-6843.
