

Music Transfer Plan – Associate of Arts 1010

Career Pathway: [Arts, Humanities, Communication, & Design \(AHCD\)](#)

Location(s): [Program specific courses are offered at Central Campus only. General Education courses are offered at all BC locations.](#)

Program Description: The Associate of Arts (A.A.) degree for Music students is designed for the student who plans to transfer to a Florida public university as a junior to complete a Bachelor's degree. A student who earns an A.A. degree from Broward College meets the lower division general education requirements of a Florida state university, but does not automatically meet the requirements for a particular major.

Total Credits			67

- The National Association of Schools of Music ([NASM](http://www.nasm.edu)) accredits Broward College. Declared music students MUST submit to an audition and advising process through the Visual & Performing Arts (V&PA) Department by calling 954-201-6843 or e-mail VPADept@broward.edu at the beginning of their studies.
- Students who declare music as a major and have auditioned but cannot pass a music theory placement test, MUST take MUT1001 Fundamentals of Music.
- Financial Aid covers the first 24 elective credits under the Associates in Arts Degree. All Music courses fall under the electives category. Music History 1 or 2 count as a Humanities credit.
- Additional Requirements: FSU, FAU, FIU, etc. all require keyboard proficiency for music majors. Piano students are NOT required to take secondary piano. All other music students are required to take secondary piano classes/lessons.
- All MVXXXXX and most MUNXXXX courses are restricted classes and must be registered with the V&PA Department each term.
- Students must successfully meet the foreign language requirement as prescribed in the college catalog. Vocal Performance students are recommended to take either German, French or Italian as a foreign language as per NASM standards.
- One science lab course is required. The student may choose to take either Physical or Biological Science lab.
- Students must take ENC1101, ENC1102 or ENC2210, as well as two additional writing credit courses (6 credits) to graduate.
- Students must take 3 credits of International/Intercultural coursework to graduate.
- The computer literacy requirement is an elective that must be met by taking either CGS1060C or testing out.
- MGF1106 and MGF1107 are general education math courses that do not require prerequisites. MAC1105C is a 5-credit course. Students who register for this course must see an advisor to discuss their academic plan.

Classes are subject to change based on the transfer University. Please check with you [Academic Advisor](#) and/or University website to ensure you are enrolled in correct classes.
